

GRIND PLATES★★★ FOR FLOOREX

CONCRETE FLOOR GRINDING

Same tried and tested diamond segments and colour coding as on our metal bond grinding shoes

Grit options:

- # 25 XU2 | GOLD | #25 | Rough: Removal of Xtreme Ultra hard concrete, coatings and lippage
- # 40 HM3 | GREY | #50 | Coarse: General concrete, typically the first grind to expose stones or lippage removal
- #80 HM4 | BROWN | #70 | Medium: Use after Grey to remove scratches. Finish ideal for paint application
- #100 / 150 HM5 | BLACK | #100 | Fine: Use after Brown for a smooth and scratch free finish
