

Floor grinder FGE330M1 / FGE330M1V

Edge grinder, 1 or 3-phase, max. grinding width 330 mm

Adjustable head for efficient edge grinding

The 330 mm grinding disc can be equipped with 3, 6 or 9 diamond tools

FGE330M1V offers variable speed and two directions

The FGE330 is a versatile and easy-to-use floor and edge grinder. It is ideal for smaller areas, edge grinding and removal of thinner coatings – everything from rough grinding to polishing. The 330 mm grinding disc can be equipped with 3, 6 or 9 diamond tools. The floor grinder can easily be

converted into an edge grinder. The grinding head can be directed to the right or left with a simple hand movement. An extra weight package of 14.5 kg is available as an accessory for single-phase models. The FGE330M1V offers variable speed and two directions.
